DETAILED ACTION

Allowable Subject Matter

1. Claims 14-21 are allowed.
2. The following is an examiner's statement of reasons for allowance: This invention deals with an antenna comprising two cable segments, wherein each said cable segment terminates at a first end with a load; said cable segment and a connector connecting second ends of the two cable segments in parallel; and a transceiver connector connected to said connector wherein each of the cable segments have a first length and a total extended length of the two cable segments equals approximately twice the first length (claim 14). The above stated claim limitations, is not taught or suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
